

# Effects of English Settlement

At first, the settlers lived in a small region.

As time went by, the settlers spread to other areas of the Virginia Colony.

The Powhatan people realized the English settlement would continue to grow.

The Powhatans saw the colonists as invaders that would take over their land.

# Jamestown in 1614

# Cultural Landscapes

Whenever people settle an area, they change the landscape to reflect the beliefs, customs, and architecture of their culture.

Jamestown Barn

Jamestown Church

Examples of cultural landscapes include barns, homes, and places of worship such as churches.

Jamestown House

Place Names that Reflect Culture  
English: Richmond    American Indian: Roanoke

# Women Arrive in Jamestown, 1620

The arrival of women in 1620 made it possible for the settlers to establish families and a more permanent settlement at Jamestown.
