

VS.3.c The Charters of the Virginia Company

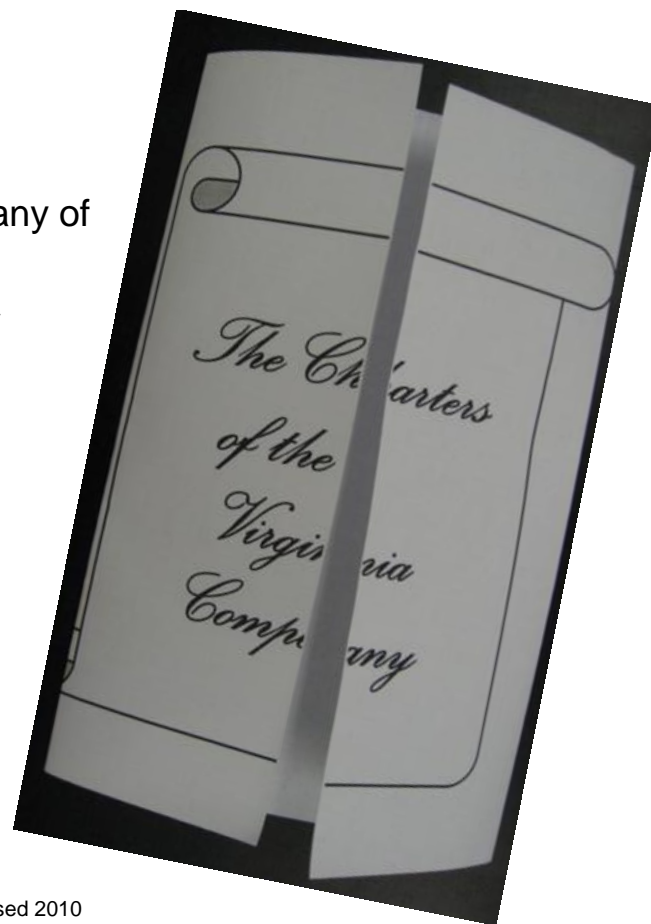

- **Directions:**

- Copy the template below.
- Make a shutter fold using the copied template. Begin with the printed side down. Pinch the paper in the middle where a hamburger crease would be. Then use the pinch as a guide to bring both sides to the middle, making a shutter. The document template should come together and meet when the shutter is closed as in the photo
- Inside the shutter, write details about the Charters.
- Add drawings beside the statements to show additional meaning.

Answer Key:

- The King of England granted the charters to the Virginia Company of London
- The charters gave the Virginia Company the right to establish a settlement in North America
- The charters extended English rights to the colonists.
