

SS.VS.7a Differences Between Northern and Southern States that Led to Secession

Directions:

- Copy the template onto an 8 ½ x 11” white or colored piece of paper.
- Students make a hotdog fold so that the words “Economy” and “Slavery” are showing on top and can be seen.
- Fold again, hamburger fold, so that a booklet is made and “Differences between northern and southern states” is on top.
- Open up the booklet and cut on the dotted line between “Economy” and “Slavery”, creating 2 tabs.
- Lift each tab. Underneath the “Economy” tab, write details about the economies in the North and the South. Underneath the “Slavery” tab, write details about how the North and the South viewed slavery.
- Add drawings to show additional information.

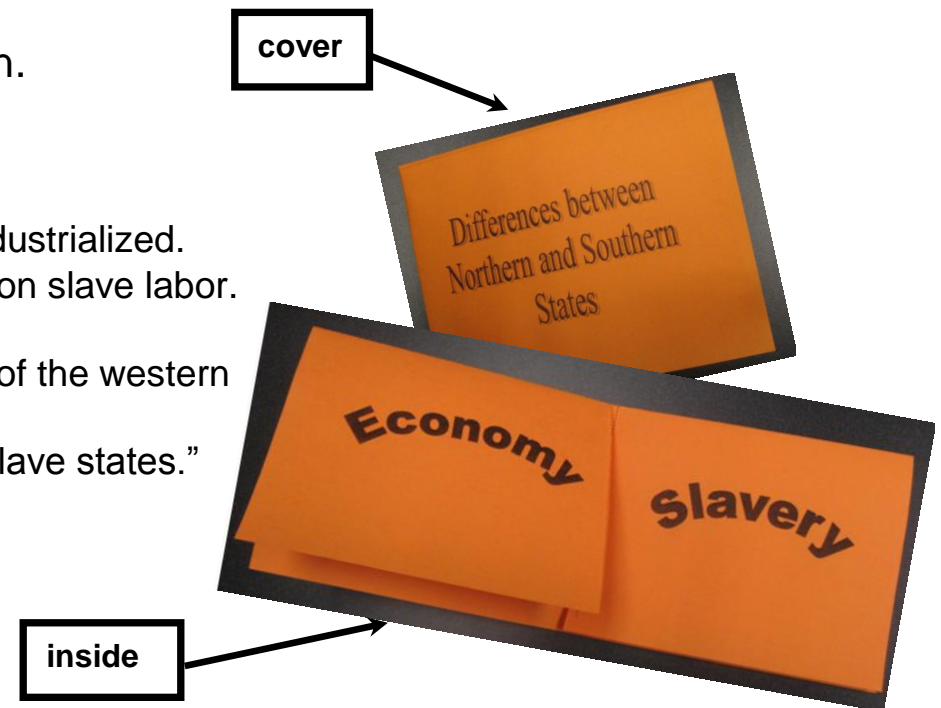

Answer Key:

Economy

- The northern part of the United States was more industrialized.
- The southern part was agricultural and relied more on slave labor.

Slavery

- Northern states wanted the new states created out of the western territories to be “free states.”
- The southern states wanted the new states to be “slave states.”
